**Day-of: \$25**

**On-site demos only (no ride:) \$10**

**Michigan REGAP (Retired Greyhounds as Pets)** has partnered with **American Harley Davidson** and the **Ann Arbor American Hog Chapter** to sponsor an escorted motorcycle ride to raise awareness on how dogs assist people in everyday life and in emergencies.

The ride starts at American Harley Davidson in Ann Arbor. After a police-escorted 50-70 mile ride through the countryside, it will end with the last 9000 feet being along the runway at Willow Run Airport.

Following the ride, there will be food, entertainment, demonstrations and booths from various non-profit groups such as REGAP's Prison Program and Wolverine K-9 Search and Rescue. All groups participating are non-profit and new groups and demonstrations are being added daily. Visit [www.rescuedgreyhounds.org](http://www.rescuedgreyhounds.org) for registration and more information.
