

Michigan Retired Greyhounds as Pets (REGAP) 11th Annual Golf to Save Greyhounds

♣ Saturday, June 5, 2010 ♣

TANGLEWOOD ♦ 53503 Ten Mile Rd, S. Lyon, MI

Registration Begins: 8am ★ Shotgun Start: 10am

Spring Scramble Contests ★ Raffle & Door Prizes ★ 50/50!

“Putt Fore Pups”, Women’s & Men’s Longest Drive, Closest to the Pin & Lowest Team(s) Scores

All proceeds support MI REGAP’s efforts to rescue racing greyhounds from destruction when their racing career ends & to find loving, suitable homes for these extraordinary dogs; to educate the public about the abuses that exist within the dog racing industry, & to ultimately end dog racing & the death of over 15,000 greyhounds every year.

UPDATE: Our efforts are paying off with your help! Wisconsin closed its large track 12/09 & 100’s of greyhounds were rescued. We took 23 of these dogs! Massachusetts banned racing & their tracks ran their last race 9/18/09. With more tracks slated to close, and dogs needing a place to go, racing greyhounds need all of us more than ever.
